Development (KICD), Nairobi**

NATIONAL DISABILITY DIALOGUE (NDD) 2026

INTRODUCTION

The National Disability Dialogue (NDD) is Kenya's multi-stakeholder platform. It convenes government institutions, development partners, organizations of persons with disabilities (OPDs), civil society, and the private sector to advance disability inclusion across the Country. The 2026 Dialogue is the third since its inception in 2023 this year serves as an important forum for strengthening the implementation of disability policies, sharing cutting-edge innovations, and promoting inclusive development.
